To Whom It May Concern:

I am writing this letter of recommendation on behalf of Justin Cole with his knowledge. I have had the pleasure of knowing Justin for the academic school of 2005-2006 in his role of Saco/Dayton Union 7 Technology Director.

I have found Justin to be very knowledgeable, intelligent and helpful. Whenever I have had a problem or a problem has occurred at the middle school, Justin was very quick to resolve the problem. At times he could do it from his office and at times it meant a trip to the building. He did whatever it took to keep us up and running. He has come up with some very creative solutions to solve many of our problems. I have found him to be a very creative thinker. He came up with what I think is an excellent remedy for our MLTI insurance program.

He is a valued member of our Leadership Team. His contributions to the Leadership Team have lead to some very successful changes. He is very visible and often seen in the building doing what is necessary to maintain our network.

I would hope you would give Justin Cole serious consideration for any position he may be applying for. He will prove to be a valued member of your organization. If I can be of further assistance, please feel free to contact me.

Sincerely,

Richard G. Talbot
